HORARY READING FOR SARA O CONNOR
QUESTION: WHEN WILL I MEET MY SOULMATE?

Hi Sara,

The chart was cast when I understood the question. Please find the reading and the chart below.

Event Chart (Method: Web Style / Placidus)
Sun sign: Virgo
Ascendant: Libra

You are going to meet the person in 3 units of time, most probably 'months', from the day this chart was cast. You will meet him somewhere like routine journeys, short trips, neighborhood, etc. You are denoted by the Venus, ruling the 1st house in Libra. The quesited, your soulmate, is denoted by the 7th lord Mars. Venus will perfect a sextile with Mars in 3 degrees, based on the ephemeris. The 'part of marriage' lies in Libra, which denotes relationships which start with a flash but don't last long. Uranus being on the 7th cusp is a signicator of sudden disruption and separation. Alas, while this may be a beginning of a new relationship, it may not last long. Please do let me know how things turn out to me. Feel free to reach out if you have any questions.

SINCERELY,
MOUMITA PAUL
